

# WRITING CONTINUUM OF COMPLEXITY

A SEEDS quality teacher considers how to scaffold learning to meet individual children's needs. Luckily, we have resources to help!

Remember, skills increase in complexity as you move up.

The Continua in the Continua tab will have space to write students' initials next to their current stage and find activities to support in the margin!

\*Drawing continues to develop with regular opportunities to practice.

## CHILD REFLECTION GUIDE

• What did you want the child to learn?	• How did you teach it?	• What was the child able to do?	• What learning stage (color) was the child?	• What will you do the next time you meet with the child?
