## NUMBER AUDITORY SCRIPT

<b>1</b> Come right down and that is all, to make the number one.	<b>2</b> Curve around and slide to the right, to make the number two.	<b>3</b> Curve in and around again, to make the number three.	<b>4</b> Down, over, down and some more, to make the number four.	<b>5</b> Down, around, put on a hat, to make the number five.
<b>6</b> Curve in and around again, to make the number six.	<b>7</b> Slide to the right and slant it down, to make the number seven.	<b>8</b> Make an "s" then close the gate, to make the number eight.	<b>9</b> Circle around then come right down, to make the number nine.	<b>10</b> Come right down, then make a zero, to make the number ten.
